Trails
Elections
Coming
Soon**

The GTIA elections will be held at the Association's annual meeting on November 11, 2008 at the Kennedy Jr. High School. The ballots were mailed to Green Trails residents on September 26th and they need to be submitted prior to the annual meeting on November 11th.

The following residents have submitted their names as candidates for their areas, along with a brief description of their background and reason for running for office. As a way of introduction, they are as follows, listed by each area

Area B - (Heritage Farms 1, Oaks Condos)

Donald Helgeson

My name is Donald Helgeson. My wife, Susan, and I have lived in Green Trails for just over 6 years. I am the National Field Service Manager for EarthLink, Inc., and it's subsidiary, New Edge Networks. We design and build Wide Area Networks (WAN's) for multi site retail and commercial business entities. I manage a Team of 22 Field Service Engineers and 3 Regional Managers, who altogether augment and maintain over 600 offices, or Points of Presence (POP's), throughout the continental United States.

I am an active member of St Margaret Mary Parish, currently serving as a Church Council Member, CWC Commission Chairman, as well as participating in many other activities, which benefit the Church & our local community. I am also an active volunteer in the DuPage County PADS Program, helping serve the needs of our local homeless population.

I walk, jog, and, or bike ride 4+ days each week among the many miles of beautiful paths we have here in Green Trails. It is clearly the most beautiful and impressive area I have ever lived, a true reflection of the great job already done by the GTIA Board. I appreciate the tremendous asset that the Green Trails area is, not only to Lisle, but the entire surrounding area. I believe I would be a positive asset to the GTIA Board, and am willing to share any, and all experiences and knowledge I can in contributing to it's ongoing success.

Area C – (Woodglenn Village 1 & 2, Tall Oaks)

Margaret Hough - Incumbent

I have been a Green Trails resident for 28 years. During that time I have served on the Green Trails Board where I have worked primarily on the communication committee. That committee oversees the “Pathfinder” and the GTIA web-site. Monthly, I review the Newsletter prior to publication.

Currently, I also serve on the Lisle Park Board, teach math part time at the College of DuPage, and enjoy gardening.

As we were looking for a new home for our family in 1980, one of the things that impressed my husband and me about Green Trails was its extensive common area, path, and park system. Our family continues to be enthusiastic about all of the things that Green Trails has to offer its residents. As a board member I have had and will continue to have a strong commitment to maintaining and improving those amenities.

Michael Olson

I graduated in 2001 from DePaul University with a BS in Finance and Economics. Since graduation I have worked at a Chicagoland commercial bank, financing commercial real estate developments. My wife, Jennifer, and I have lived in Green Trails since May 2007 and for three years before that in a condo in Four Lakes.

Volunteering time is an important aspect of life to our family and the HOA is another opportunity for me to give time back to the community. I have an interest in serving on the Board of Directors for the HOA, as I am interested in helping to maintain and perhaps improve the local community. I believe that my background in finance would provide a valuable asset to the Board.

Area D – (Heritage Farms 2, Woodglenn (East))

Joan Dudas - Incumbent

My name is Joan Dudas and I have been a resident of Green Trails for 23 years. I have been a member of the GTIA board for 15 years as Vice-President, Secretary, Treasurer and Area Representative serving on various committees. I am a graduate of Elmhurst College (BS – Accounting and Information Systems Management) and Benedictine (MBA) and have worked professionally as an Accounting Manager and Controller. I was a volunteer for VOICE TV recording Village Board Meetings and have assisted with the Friends Library Book Sale. I am an active member of several book discussion groups, work out regularly at the Edward Health and Fitness Center and enjoy reading, swimming and walking, especially in Green Trails. I believe GreenTrails is an exceptionally great place to live and enjoy life, and I would like the opportunity to give back some of my time to our community.

Carol Dietz

I would like to place my name as a candidate for the GTIA Board for Area D. We have lived at 6411 Ory Bridge Court for almost three years. I moved my market research company into our home last year as well.

My husband Ron and I love the natural environment of Green Trails—it’s a hidden gem. If serving on the GTIA Board would help protect and improve our community, then I’d be delighted to contribute.

I’ve attached my professional biography as requested. Thank you for your consideration.

Prior to founding 4Insights, Inc. in 2002, Carol was VP Marketing and Center Planning, Technology and Strategic Investments for The Taubman Company, developer/manager of 30 of the nation’s premiere regional shopping centers in 14 states. In that post, she developed the first comprehensive research program among major U.S. shopping centers, tracking 36,000 consumers over four years and pioneering the use of consumer Lifestyle Segmentation. She also developed the first interactive shopping center web site program in the industry. From 1992 to 1997, Carol was VP Marketing for The Levy Restaurants, where she directed branding and marketing for 51 foodservice concepts, including the launch of restaurants and retail merchandise for Steven Spielberg in Los Angeles, Las Vegas and Barcelona; for Gaylord Entertainment (Opryland) in Nashville; and Walt Disney World, FL. From 1987 to 1992, Carol served as VP Branch Store Marketing for Bloomindales’ 14 stores in eight states, launching flagship stores on Chicago’s Magnificent Mile and in Mall of America, MN.

Marsia DeAngelis

I am so pleased to be considered as your representative for Area D (Heritage Farms 2, Woodglenn East) on the board of the GTIA.

During the summer of 2007, my family and I moved from Naperville to Lisle, and this community has welcomed us with open arms. My children - Caroline, Josephine, Brien, and Isabella - all attend Naperville North High School, and they look forward to another great year!

As the Residential Greeter at the Lisle Area Chamber of Commerce, I deliver "welcome packets" to all new residents moving into the greater Lisle area. My goal is to help these new residents feel at home in their new community and to support our local businesses here in Lisle. Before that, I have been a specialty baker for 15 years, creating fondant covered cakes and sugar flower creations for special occasions.

Joining the Green Trails Improvement Association Board would allow me to serve my community in a more meaningful and effective way. If elected, I pledge to:

- Bring the issues and concerns of area homeowners to the Board for consideration.
- Work with passion and commitment to keep Green Trails a beautiful place to live.
- Communicate - with honesty and integrity - the plans formulated by the board to the homeowners of Green Trails. Thank you for your support.

Area F - (Collegewood, Huntington Woods, Woodglenn 1-31)

Alden Snyder

I am interested in participating in the Green Trails Improvement Association. I have been a Green Trails resident since 1977 and a resident in Lisle since 1973. I have spent my career in the Computer Software industry and presently own and operate Asset Systems, Inc., a provider of asset management software and services throughout North America. I have been a volunteer with the Boy Scouts of America, Indian Princesses and Steeple Run Home and School. My wife, Laura, and I have three daughters.

Christy McGovern

I have been a Green Trails resident for five years now (and this summer we relocated within Green Trails). Currently, I stay at home with my three sons, ages 4, 2 and 8 months. We definitely enjoy the parks, paths, and Green Trails community. I feel committed and enthused to help maintain the beauty, safety, and camaraderie of our neighborhood. Prior to deciding to stay home with my young children, I taught middle school and high school Spanish and coached for eight years. I now spend much time volunteering for a not-for-profit parenting group where I wear many hats, including organizing and running their largest annual fundraiser.

Area H - (Gardens 1&2, Lakewood South, Surrey Ridge 5)

Pat Coughlin-Schillo - Incumbent

My family has lived in Green Trails since 2000. My husband and I thoroughly enjoy raising our son in this unique community. The aesthetically beautiful parks, ponds and trails provide outdoor fun/activities through all four seasons. Green Trails residents make terrific neighbors and friends. I strongly believe that the common areas throughout Green Trails are the catalyst to meeting and maintaining friends for all ages. I am a realtor at Coldwell Banker Residential Brokerage; therefore I am continuously updated on both the real estate market and the community. It would be an honor to serve the Green Trails community by continuing my position as a GTIA board member.

Area K - (Surrey Ridge 3, Lakewood 2)

Julie LaFond - Incumbent

I am asking for your support to allow me to continue representing Area K on the Green Trails Improvement Association Board. I have been the Area K representative since 2006. My husband and I have been Green Trails residents for the last 15 years. I recently retired from teaching at St. Joan of Arc School after 28 years and I am currently working as a substitute teacher there.

As you all know, Green Trails is a wonderful place to live. I would be honored to have the opportunity to continue working on the Board to help keep Green Trails the beautiful, well run area that we all enjoy.

Roxanne Nagel

My name is Roxanne Nagel, I have resided in Green Trails since 1989. I am married and have a 19-year-old daughter. After 17 years of being an accountant and an accounting manager in Hinsdale, I have turned in my beans and am now "CEO of housing, landscaping, and domestic affairs" (A.K.A. housewife). I have, in the past, volunteered at Danada Equestrian Center for close to 2 years so I understand the commitment and importance of volunteer positions. I certainly do not mind getting my hands dirty and thrive on hard work.

Of my many passions, landscaping and nature is something I really enjoy and have grown up learning about. We take great pride in our home and the improvements we have personally made, but also take great pride in Green Trails and how well the grounds and paths are so cared for. I have wanted to take part in our area board for some time now and believe my ambition, dedication, experience, availability and well-rounded personality may make a difference, if given the chance.

It would be an honor to me to be able to work with GTIA as a representative in Area K.

Roman Kobzarev

I am a working professional with several years of experience managing small to large projects while always trying to be fiscally responsible. My wife, son, dogs and I all love the trails and I am full of great enthusiasm to make our Green Trails even better.

If elected as a board member I would want to see more trees planted along the trails and would like to improve our recycling program by providing containers along side of our garbage collection bins. In addition, as a dog owner, I would like to encourage more people to pick up after their pets by providing bags at intervals along the pathways. Together I believe we can keep our neighborhood beautiful while doing our part in keeping Lisle and the trails green.

Cook less - celebrate more - Halloween Party Idea!

Bloodshot Eye Cupcakes (Makes 24)

1 box dark chocolate cake mix	1-1/2 C milk
1-1/3 C chocolate milk	1-1/2 C creamy peanut butter
1/3 C canola oil	1 12-oz container white frosting
3 large eggs	1 tube red decorating gel
1 box instant butterscotch pudding mix	24 plastic eyeballs

Preheat oven to 350 degrees. Line 2 12-cup muffin pans with baking cups. In a large mixing bowl, beat together cake mix, chocolate milk, oil and eggs on low speed for 30 seconds. Scrape sides of bowl with spatula, increase speed to medium and beat 1 minute more. Evenly divide batter among cups. Bake 21 to 26 minutes until a toothpick inserted in centers comes out clean. Transfer pans to rack and let cool.

Whisk together pudding mix, milk and peanut butter in a medium bowl until thickened and smooth (about 2 minutes). Refrigerate 30 minutes for filling.

Spoon filling into a pastry bag fitted with a medium plain tip. Fill cupcakes by inserting tip into tops of cupcakes and squeezing a couple of tablespoons into each. Spread 2 tablespoons frosting on each cupcake. Using the decorating gel, draw squiggly lines on frosted cupcakes to create blood vessels. Place an eyeball in the center of each.
