## Together, we Kept the Wreath Red

*Lt. Jay Caron, Public  
Educator  
Lisle-Woodridge Fire  
Protection District*

Once again, the Lisle-Woodridge Fire Protection District, through education of its citizenry was able to "Keep the Wreath Red" over this past holiday season.

The "Keep the Wreath Red" program was originated by the Lisle-Woodridge Fire Protection District's Chief Emeritus Paul Boecker as a means to remind our residents of the importance of fire safety and prevention, particularly during the holiday season. The program is now used statewide.

Each year wreaths bearing red light bulbs are placed on each station in Fire District. If

there is a fire caused by holiday decorations or the like, a red bulb is replaced with a white one.

Since the program started, there has never been a white bulb replacing a red one on the wreaths in the Lisle-Woodridge Fire Protection District.

If you have further questions on this or any program offered by the Lisle-Woodridge Fire District, please call L. Jay Caron, Public Educator, Fire Prevention Bureau, 630-353-3030 or visit our website at [www.lwfd.org](http://www.lwfd.org).

Gentle Learning Preschool offers two and three day preschool programs for three and four year olds. We also offer five day Pre-K programs for four and five year olds. Does your preschooler need to extend his or her day at school? If so, we have a wide variety of extension and enrichment programs available. These programs are designed to allow your child to explore a special interest such as cooking, sports, arts or crafts or enhance reading and math skills. For more information, if you would
